

THE LOCAL OFFER

Information for parent and carers

What is the Local Offer?

- The SEND Local Offer is designed to help improve the lives of children with Special Educational Needs and/or Disabilities (SEND), as well as their families and those who care for them.
- It provides information where individuals with SEND aged 0-25, as well as their parents or carers, and professionals can go to find out what support or provision they can expect to be available in their local area.
- Under the Children and Families Act 2014, each local authority has a legal responsibility to publish its Local Offer. It needs to be published online, as well as in an alternative format for those without internet access.

The Local Offer will..

- Provide information about education, health, and care services.
- Offer details on leisure activities and support groups.
- Centralise all information in one accessible location.
- Encompass various local agencies, including education, health, and social care services.
- Cover childcare, independent schools, care placements, apprenticeships, transport, specialist teachers, therapy services, and other support
- Include relevant regional and national specialist provisions for children and young people with rare and complex SEND.
