Important Notice: Adapted timetable in place due to water supply issue affecting OA-Tunbridge Wells

Dear parents and carers,

We have been informed by Kent County Council that unfortunately we should plan for no water for the rest of the week.

We have therefore put an adapted timetable into place to ensure that all our students have access to a meaningful curriculum and that our year 11s are able to complete their mock exams.

Tutors will be making contact with each family to confirm this and to discuss any support where required.

Thank you for your understanding.

Yours sincerely,

Tony Machin
Executive Headteacher
